Gary, I should have added to this message to please let me know if you need some feedback from us earlier than next Thursday. If so, I can see if Paul has a block of time tomorrow or Saturday to talk.

Hi Gary,

I talked to Paul today. We plan to meet next Wednesday afternoon or Thursday when I am in Vicksburg to work on your new Statement of Work. He is going to be out of town on Monday and Tuesday.

Earl

Paul, (and Earl)

9672132

As we discussed, here is the draft scope for the San Jacinto Study by the USACE - please let me know any edits/adds you may have on this.

Thanks,

Gary Miller
